# WANTED

## INTERPOL International Fugitive Round-Up and Arrest (INFRA-RED)

### Catherine Elizabeth GREIG

**Wanted by: The United States**

**Wanted for: Concealing a person from arrest**

**BELIEVED TO BE IN EUROPE**

GREIG 1993

**Case details:** GREIG is suspected of concealing federal fugitive James BULGER who is wanted for a number of offences including his alleged involvement in the murder of 19 people between the early 1970s and mid 1980s whilst he was the leader of an organised crime group. GREIG and BULGER have been on the run from authorities since 1995. GREIG is known to have frequented Canada, the United Kingdom, Mexico and Europe.

Formerly a licensed dental hygienist in Boston, GREIG is known to have several porcelain dental crowns and had her teeth cleaned on a monthly basis. It is also thought that GREIG has acquired further porcelain dental implants since becoming a fugitive. GREIG has also undergone several plastic surgery operations, including breast implants. GREIG and BULGER are believed to be in Europe.

These photos were taken of Catherine GREIG whilst she was in her 30s. She is now 59 years old.
